CHARITY | ПАДТРЫМКА

The official launch of the charity project PADTRYMKA took place in January 2023, while the company had previously provided feasible assistance to social institutions.

The goal of the project is to help people, attract public attention to important social issues, uniting all those who care about a large and very necessary cause. PADTRYMKA is part of the corporate culture. We strive to ensure that the company's employees do not stay aside when it comes to helping other people.

6000+

People received help

100+

Tons of products were donated as aid

70+

Organizations are supported

9

years of helping people

Directions

- Help to public associations
- Help to social and pedagogical centers
- Treatment of children

IT IS IMPOSSIBLE TO HELP EVERYONE, BUT EVERYONE CAN HELP SOMEONE
